

Chair and Tech-host Script (09/14/2024)

Welcome to A Womyn's Way Through MA! My name is _____, and I am a cannabis addict. First, let us begin with a moment of silence for the cannabis addict who still suffers, then, we'll remain muted as we recite the serenity prayer.

[pause for about 10 seconds]

Higher power, grant me the serenity to accept the things I cannot change,
The courage to change the things I can,
And the wisdom to know the difference.

A Womyn's Way Through MA is a safe place for all people who identify as women (cisgender, transgender, nonbinary, genderqueer, genderfluid, intersex and agender women, women of any, all or no sexual orientations, all ages, races, theist, atheist and of all cultural identities) who have a desire to stop using cannabis. If this includes you, then you are welcome here!

Although we are inspired by the Steps, the traditions, and spirit of Marijuana Anonymous, A Womyn's Way Through MA is not affiliated with this wonderful organization. We encourage those who have the desire to stop or cut back on cannabis use to visit the marijuana-anonymous.org, go to meetings, find a sponsor, and work the 12 steps. It works if you work it, and we're all worth it!

Are there any announcements related to the good of A Womyn's Way Through MA or MA?

....

Now, we will begin our weekly reading of A Women's Way Through the 12 Steps, by Dr. Stephanie Covington. We'll read for about 15 minutes, popcorn style. Please raise your hand and read three to four paragraphs before saying "pass". Today, we will be starting on Chapter ____, page _____. You can download a PDF of the book at our website, lonelylonelymouth.com. Can we please get a volunteer to keep act as our spiritual timekeeper?

[Read for ~15 minutes]

Thank you to all who read! Now we will enter the sharing portion of the meeting. Please limit your shares to 3 minutes. Our spiritual timekeeper will give a warning when one minute remains. You may reflect on the reading or on other aspects of your recovery from cannabis. This meeting permits supportive cross-talk while sharing one's experience, strength and hope. We invite you to refer to another share, but we ask that you limit comments, questions, and advice to your own experience. We also ask that you remain muted while others are sharing.

[Share until about 15 minutes to the hour]

We now would like to hold space for people with newcomers, shy sharers, and people with burning desires. Would any newcomers, that is, those with less than 30 days of sobriety, those who are hesitant to share, or people who fear they may relapse like to claim their seat?

[Share until about 5 minutes to the hour]

We are reaching the conclusion of our meeting. Who would like to chair next week's meeting, which simply involves reading the chair script?

[wait for chair volunteer]

Thank you ____! And who would like to be the tech host for next week, which simply involves posting text in the Zoom chat?

[wait for tech host volunteer]

Thank you ____! See the chat for a link to the chair/tech-host script. The same script is for the chair and the tech host. Please reach out in the WhatsApp if you have any questions!

### The Unity Prayer

I place my hand in yours, and together we can do what we could  
never do alone.

No longer is there a sense of hopelessness.

No longer must we each depend upon our own unsteady  
willpower.

We are all together now, reaching out our hands, for a power and  
strength, greater than ours.

And, as we join hands, we find love and understanding beyond  
our wildest dreams!

~~~~~  
Keep coming back to MA meetings. It works if you work it, and
we're all worth it!!7 Feel free to hang out after the meeting for
fellowship.
