## Chair and Tech-host Script (09/23/2024)

I am a cannabis addict.  First, let us begin with a moment of silence for the cannabis addict who still suffers, then we'll recite the serenity prayer.  [pause for about 10 seconds]  Higher power, grant me the serenity to accept the things I cannot change, The courage to change the things I can, And the wisdom to know the difference.  A Womyn's Way Through MA aims to be a safe place for all people who identify as women (cisgender, transgender, nonbinary, genderqueer, genderfluid, intersex and agender) who have a desire to stop using cannabis. If this includes you, then you are welcome here!	[[Before beginning, please check which page we are on, and who the tech host is]]

ISAID ALOUD, & TECH HOST POST	[SAID ALOUD, & TECH HOST POST]

In the interest of safety, please have your camera on for the first few minutes of the meeting. Hostility or aggressive behavior and offering medical advice in the Zoom room or WhatsApp group are discouraged. Harassment, discrimination, threats, or disruptive behavior toward any individual or group will not be tolerated. This includes romantic, financial, and religious solicitation. Anyone found in violation will be removed from the meeting and the WhatsApp group.

If you feel you have received or witnessed such a violation, please email wwtma2024@gmail.com and we will get back to you as soon as possible. This information will be posted in the chat.

If you would like your name changed, please message a host or co-host in the chat.

Although we are inspired by the Steps, the traditions, and spirit of Marijuana Anonymous, A Womyn's Way Through MA is not affiliated with this wonderful organization. If you have a desire to cut back on or stop cannabis use, please visit marijuana-anonymous.org, go to meetings, find a sponsor, and work the 12 steps. It works if you work it, and we're all worth it!

At this time, we acknowledge various lengths of sobriety from marijuana, alcohol and all other mind-altering drugs. Feel free to unmute yourself and share your day count!

Congratulations to everyone who celebrated a day count or milestone today! Now, we will begin our weekly reading of A Women's Way Through the 12 Steps, by Dr. Stephanie Covington. The book link has been posted in the chat. We are starting on PAGE Can we please get a volunteer to keep act as our spiritual timekeeper?

. . . . .

Thank you, \_\_\_\_! Please set the timer to 12 minutes, and set the alarm option to "beep".

## [share screen]

We'll read for about 12 minutes, popcorn style. Folks, please raise your hand and read a section before saying "pass".

[Read for ~12 minutes]

Thank you to all who read! Now we will enter the sharing portion of the meeting. You may reflect on the reading or on other aspects of your recovery from cannabis. This meeting permits supportive cross-talk while sharing one's experience, strength and hope. We invite you to refer to another share, but we ask that you limit comments, questions, and advice to your own experience.

[Share until about 10 minutes to the hour]

We now would like to hold space for people with newcomers, shy sharers, and people with burning desires. Would any new comers, that is, those with less than 30 days of sobriety, those who are hesitant to share, or people who fear they may relapse like to claim their seat?

[Share until about 3 minutes to the hour]

We are reaching the conclusion of our meeting. Who would like to chair next week's meeting, which simply involves reading the chair script?

[wait for chair volunteer]
Thank you! And who would like to be the tech host for next week, which simply involves posting text in the Zoom chat and sharing ones screen?
[wait for tech host volunteer]
Thank you!
